

What Your Fish Eat

A – Koi Color B – Hikari Wheat-Germ C – Hikari Staple D – Kaytee Koi's Choice
E. – Satori Koi & Goldfish F – Hai Feng Quick Grow

1. A. Fish Meal
 B. Wheat Germ Meal
 C. White Fish Meal
 D. Fish Meal
 E. Fish meal
 F. Wheat Germ Meal

2. A. Wheat Flour
 B. Wheat Flour
 C. Wheat Flour
 D. Ground Corn
 E. Ground wheat
 F. White Fish Meal

3. A. Soybean Meal
 B. Brewer's Dried Yeast
 C. Wheat-germ Meal
 D. Dehulled Soybean Meal
 E. Dehulled Soybean Meal
 F. Shrimp Meal

4. A. Corn Gluten Meal
 B. Soybean Meal
 C. Brewer's Dried Yeast
 D. Wheat Flour
 E. Shrimp Meal
 F. Spirulina

5. A. Spirulina
 B. Alfalfa Meal
 C. Soybean Meal
 D. Corn Gluten Meal
 E. Wheat Germ Meal
 F. Soybean Meal

6. A. Alfalfa Meal
 B. Shrimp Meal
 C. Alfalfa Meal
 D. Fish Oil
 E. Brewer's Dried Yeast
 F. Dried Sour Whey

7.
 - A. Brewer's Dried Yeast
 - B. Protease
 - C. Thiamine Mononitrate
 - D. Wheat Germ Meal
 - E. Salt
 - F. Alfalfa

8.
 - A. DL-Methionine
 - B. Thiamine Mononitrate
 - C. Riboflavin
 - D. Alfalfa Meal
 - E. Spirulina
 - F. Brewer's Dried Yeast

9.
 - A.
 - B. Riboflavin
 - C. Pyridoxine Hydrochloride
 - D. Potassium Sulfate
 - E. Yeast extract
 - F. Vitamin AD3

10.
 - A. L-ascorbic Acid (Vitamin C)
 - B. Pyridoxine Hydrochloride
 - C. Vitamin A Supplement
 - D. DL-Methionine
 - E. Vitamin A supplement
 - F. Vitamin B1

11.
 - A. Biotin Choline Chloride
 - B. Vitamine A Supplement
 - C. L-ascorbyl-2-polyphosphate (source of vitamin C)
 - D. L-Lysine
 - E. Choline Chloride
 - F. Vitamin B2

12.
 - A. Folic Acid
 - B. L-ascorbyl-2-polyphosphate (source of vitamin C)
 - C. Vitamin B12 supplement
 - D. Propionic acid (preservative)
 - E. Propionic acid (preservative)
 - F. Vitamin B6

13.
 - A. Pantothenic Acid
 - B. Vitamine B12 supplement
 - C. Biotin
 - D. L-ascorbyl-2-polyphosphate (source of vitamin C)

- E. Vitamin E supplement
 - F. Vitamin B12
14.
 - A. Pyridoxine (hydrochloride)
 - B. Biotin
 - C. Calcium pantothenate
 - D. Vitamin A supplement
 - E. Yucca Schidigera Extract
 - F. Vitamin C
15.
 - A. Riboflavin
 - B. Calcium pantothenate
 - C. Choline chloride
 - D. Choline chloride
 - E. Inositol
 - F. Vitamin E
16.
 - A. Thiamine (mononitrate)
 - B. Choline chloride
 - C. D-activated animal sterol (source of vitamin D3)
 - D. Vitamin E supplement
 - E. L-ascorbic-2-polyphosphate (source of vitamin C)
17.
 - A. Vitamin B12 supplement
 - B. D-activated animal sterol (source of vitamin D3)
 - C. Folic acid
 - D. Vitamin B12 supplement
 - E. Vitamin B12 supplement
18.
 - A. Vitamin A (acetate)
 - B. Folic Acid
 - C. Menadione sodium bisulfite (source of vitamin K activity)
 - D. Riboflavin supplement
 - E. Riboflavin supplement
19.
 - A. Vitamin D (d-activated animal sterol)
 - B. Menadione sodium bisulfite complex (source of vitamin K)
 - C. Inositol
 - D. Zinc oxide
 - E. Zinc oxide
20.
 - A. Vitamin E (di-alpha-tocopheryl acetate)
 - B. Inositol
 - C. Para-aminobenzoic acid
 - D. Ferrous Carbonate
 - E. Ferrous Carbonate

21. A. Vitamine K3 (menadione sodium bisulfate complex)
B. Para-aminobenzoic acid
C. Zinc oxide
D. Manganous oxide
E. Magnaous oxide
22. A. Zinc Sulfate
B. Zinc Oxide
C. Manganous oxide
D. Menadione Dimethylpyrimidinol Bisulfite (source of vitamin K activity)
E. Menadione Dimethylpyrimidinol Bisulfate (source of vitamin K activity)
23. A. Ethylene Diamine Dihydriodide
B. Manganous oxide
C. Salt
D. Niacin
E. Niacin
24. A. Copper Sulfate
B. Salt
C. Ferrous chloride
D. Ethoxyquin (preservative)
E. Ethoxyquin (preservative)
25. A. Manganese Sulfate
B. Ferrous chloride
C. Copper sulfate
D. Calcium Pantothenate
E. Calcium Pantothenate
26. A. Calcium Propionate
B. Copper sulfate
C. Cobalt sulfate
D. Copper sulfate
E. Copper Oxide
27. A. Ethoxyquin (preservative)
B. Cobalt sulfate
C. Aluminum sulfate
D. Thiamine Mononitrate
E. Thiamine Mononitrate
28. B. Aluminum sulfate
C. Magnesium sulfate
D. Pyridoxine Hydrochloride
E. Pyridoxine Hydrochloride

29. B. Magnesium sulfate
D. Cholecalciferol (source of vitamin D3)
E. Cholecalciferol (source of vitamin D3)
30. D. Cobalt Carbonate
E. Folic Acid
31. D. Folic acid
E. Biotin
32. D. Calcium Iodate
E. Calcium Iodate
33. D. Biotin
E. Dried *A. oryzae* Fermentation Extract
34. D. Sodium Selenite
E. Dried *Bacillus subtilis* Fermentation Extract
35. E. Dried *Bacillus licheniformis* Fermentation Product
36. E. Dried *Bacillus subtilis* Fermentation Product
37. E. Cobalt Carbonate
38. E. Sodium Selenite
